Working in the US

- Be aware of deadlines and expiration dates
- Know the rules/regulations of YOUR legal status
- Provide all needed documents promptly to the employer
- Track the process of your application

ADVICE

- DO NOT think a problem will just “work itself out”
- DO NOT believe what you read in chat rooms
- DO NOT take advice from non-International Center staff about your immigration status
- DO NOT listen to your friends!!!! (Unless they suggest you talk with the International Center)
